### **23.3. The Organizing Committee reserves the right to alter the schedule of prizes as deemed fit.**

## **24. RULES OF AMATEUR STATUS**

### **24.1. Amateurism**

**Rule 1-2** of the Rules of Amateur Status states that “Amateur Status is a universal condition of eligibility for playing in golf competitions as an amateur golfer. A person who acts contrary to the Rules may forfeit his amateur status and as a result will be ineligible to play in amateur competitions.”

### **24.2. Prizes & Prize Limits**

#### **Rule 3-2a General**

An amateur golfer must not accept a prize (other than a symbolic prize) or prize voucher of retail value in excess of £500 or the equivalent, or such a lesser figure as may be decided

## Yayasan Kecemerlangan Sukan Malaysia Foundation for Malaysian Sporting Excellence (SportExcel)

by the Governing Body. This limit applies to the total prizes or prize vouchers received by an amateur golfer in any one competition or series of competitions.

Exception: Hole-in-one prizes – see **Rule 3-2b**

Note 1: The prize limits apply to any form of golf competition, whether on a golf course, driving range or golf simulator, including nearest the hole and longest drive competitions.

Note 2: The responsibility to prove the retail value of a particular prize rests with the Committee in charge of the competition.

Note 3: It is recommended that the total value of prizes in a gross competition, or each division of a handicap competition, should not exceed twice the prescribed limit in an 18-hole competition, three times in a 36-hole competition, five times in a 54-hole competition and six times in a 72-hole competition.

### **Rule 3-2b Hole-in-One Prizes**

An amateur golfer may accept a prize in excess of the limit in **Rule 3-2a**, including a cash prize, for a hole-in-one made while playing a round of golf.

Note: The hole-in-one must be made during a round of golf and be incidental to that round. Separate multiple-entry contests, contests conducted other than on a golf course (e.g. on a driving range or golf simulator) and putting contests do not qualify under this provision and are subject to the restrictions and limits in **Rules 3-1** and **3-2a**.

### **Rule 3-3 Testimonial Awards**

An amateur golfer must not accept a testimonial award of retail value in excess of the limits prescribed in **Rule 3-2**.

## **24.3. Education Grants, Scholarships and Bursaries**

**Rules 6-5** of the Rules of Amateur Status states the following:

An amateur golfer of golf skill or reputation may accept the benefits of an education grant, scholarship or bursary, the terms and conditions of which have been approved by the Governing Body.

A Governing Body may pre-approve the terms and conditions of educational grants, scholarships and bursaries, such as those that comply with the regulations of the National Collegiate Athletic Association (NCAA) in the United States of America, or other similar organisations governing athletes at educational institutions.

If an amateur golfer is in receipt of an educational golf scholarship, or may apply for such a scholarship in the future, he is advised to contact the national body regulating such scholarships and/or the relevant educational institution to ensure that any third party contracts and/or agreements (**Rule 2-2b**) or competition expenses (**Rule 4-2**) are allowable under the applicable scholarship regulations.

## **25. Champion Club**

Junior Golfers MUST specify which Golf Club they wish to represent for the year. It must be a Golf Club and not an academy or sports council. This is to ensure a level playing field amongst Golf Clubs and more so to recognize some of the Golf Clubs which have played significant roles in the development of Junior Golf in Malaysia.

**Note:** Academies / State Sport Councils (MSN) are not considered as clubs.

SportExcel, the Sponsors, the Organizers, the Committee or Management of the host Clubs shall not be responsible for any loss, damage or harm, or any form of injuries that the participants, spectators or parents may suffer as a result of their participation at the tournaments.

### **41. ETIQUETTE: BEHAVIOR ON THE COURSE**

#### **41.1. Safety**

Prior to playing a stroke or making a practice swing, the Junior Golfer should ensure that no one is standing close by or in a position to be hit by the club, the ball or any stones, pebbles, twigs or the like which may be moved by the stroke or swing.

**Junior Golfers should not continue play until all players (not just Junior Golfers) in front are out of range.**

#### **41.2. Consideration for Other Players**

The Junior Golfer who has the honour shall play before his opponent or fellow-competitor.

On the teeing ground, a Junior Golfer should not tee his ball until it is his turn to play.

Junior Golfers should always show consideration for other Junior Golfers on the course and should not disturb their play by moving, talking or making unnecessary noise.

In the interest of all, Junior Golfers should play without delay (**Rule 6-7**).

Junior Golfers should not stand close to or directly behind the ball, or directly behind the hole, when another Junior Golfer is about to play.

When the play of a hole has been completed, Junior Golfers should immediately leave the putting green.

#### **41.3. Care of the Course**

SportExcel is strictly implementing a care for the course policy where Junior Golfers will be responsible for filling and repairing divots as well as raking bunkers as an ongoing process in helping to maintain the courses that allow us to host a tournament.

#### **41.3.1. Bunkers**

Before leaving a bunker, Junior Golfers should carefully fill up and smooth over all holes and footprints made by them and any nearby made by others. A rake should be used for this purpose.

#### **41.3.2. Repair of Divots, Ball-Marks and Damage by Shoes**

Junior Golfers should carefully repair any divot holes made by them and any damage to the putting green made by the impact of a ball (whether or not made by the Junior Golfer himself). **Rule 16-1c** permits the repair of old hole plugs and ball marks but does not permit the repair of spike damage or other irregularities of surface on the putting green if they are on a player's line of play or putt or might assist him in his subsequent play of the hole.

#### **41.3.3. Damage to Greens – Flagsticks, Bags, etc.**

Junior Golfers should ensure that no damage is done to the putting green when putting down bags or the flagstick.

In order to avoid damaging the hole, Junior Golfers and their caddies should not stand too close to the hole. Take care when handling the flagstick and be very careful when removing a ball from the hole.

Do not use the putter to remove a ball from the hole. Junior Golfers should not damage the putting green by leaning on their putters, particularly when removing the ball from the hole.

The flagstick should be properly replaced in the hole before the Junior Golfer leaves the putting green.

#### **41.3.4. Damage through Practice Swings**

Junior Golfers should avoid causing damage to the course by removing divots when taking practice swings or by hitting the head of a club into the ground, whether in anger or for any other reason.

## **42. CONCLUSION: PENALTY FOR BREACH**

If Junior Golfers follow the guidelines in this section, it will make the game more enjoyable for everyone.

If Junior Golfers consistently disregard these guidelines during a round or over a period of time to the detriment of others, The Committee shall take appropriate disciplinary action against the offending Junior Golfer. The Committee may prohibit play for a limited time on the course or in a certain number of competitions. This is to protect the interest of the majority of Junior Golfers who abide by these guidelines.

In the case of serious breach of etiquette, the Committee may disqualify a player under **Rule 33-7** of the Rules of Golf by R&A Rules Limited.

**Yayasan Kecemerlangan Sukan Malaysia**  
**Foundation for Malaysian Sporting Excellence (SportExcel)**

**THE COMMITTEE RESERVES THE RIGHT TO CHANGE THESE RULES

## **PARENTS' GUIDE TO THE SPORTEXCEL JUNIOR GOLF TOURNAMENTS**

### **PARENTS CODE OF CONDUCT**

SportExcel takes great pride in the caliber of play, player conduct and parental dedication displayed at all of our events. In order to maintain the fun and professional atmosphere that the SportExcel Junior Golf events have become known for, and to show respect for the involvement of our host clubs and their volunteers, SportExcel requires that all participants, spectators and parents (and their guests) adhere to a set of guidelines known as the Code of Conduct. The Code of Conduct is to be observed at all of our events.

### **EXPECTATIONS FROM PARENTS WHEN ON THE GOLF COURSE:**

- No advice is to be given to your child or any child during the tournament rounds.
- Please avoid all communication, verbal and non-verbal, which may be construed by others (competitors, parents and our Referees) as advice.
- Please keep your distance from your child or any child (approx. 30 yards) while following them during play.
- Do not walk in the fairways during the tournament rounds.
- Help us maintain the pace of play by assisting to spot golf balls for players.
- Try to avoid distracting competitors at all times on the golf course.
- Please refrain from bringing cell phones, cameras or radios onto the golf course. If you must have your cell phones with you, please switch it off or set it to silent mode
- Please feel free to ask your child if he/she needs anything to eat or drink at the turn.

### **REGARDING THE RULES OF GOLF:**

- Allow Referees to administer rulings. You will be brought into a situation ONLY if the Referees ask you.
- Encourage your child to familiarize himself/herself with the Rules of Golf and the supplementary Local Rules specific to the championship so that they are aware of the options available to them.

### **RESPECTING THE HOST CLUB AND GOLF ETIQUETTE:**

- Respect the host facility's policy if cell phones are not allowed at all on the grounds.
- Familiarize yourself and adhere to the host facility's dress code. Some facilities may not allow blue jeans, T-shirts, etc.
- If you are going to wear golf shoes as you walk the course, make sure they do not have metal or traditionally designed spikes.

### **AFTER THE CHAMPIONSHIP:**

- Encourage your child to write thank-you notes or verbally thank those persons who contributed to the success of the respective tournament such as sponsors and host club officials.
- We welcome any and all letters of suggestion to SportExcel that will ultimately help us in making these events even more special for all involved. Feel free to include comments you may have about SportExcel Junior Golf Events with regards to the development of junior golf in Malaysia.

## **SOCIAL MEDIA & MASS MAILING:**

- If there are any shortcomings in a completed/ongoing tournament, you are encouraged to raise your concerns/grievances with the Organizing Committee and/or Tournament Committee in **writing**. All written complaints shall be handled by the Committee accordingly.
- But if you choose to not observe the proper channel to raise any grievances and turn to the social media or mass mailing as your channel, the Committee/SportExcel may have to take appropriate actions to curb this practice and protect the image of the organization.
- Social Media postings and/or mass mailing of grievances shall not be condoned by the Committee/SportExcel.
- SportExcel may consider taking action on parents/guardians who flout the above.

## **WHATSAPP TOURNAMENT GROUP:**

- WhatsApp as a platform for information dissemination has gained popularity with many players and their parents. SportExcel has adopted this platform as a means to quickly disseminate tournament information to the players.
- SportExcel may setup a WhatsApp group for each tournament, consisting of players and their parents as members of these groups. The purpose is for SportExcel to disseminate tournament information to the players and for the players/parents to ask questions on tournament related matters.
- We strongly urge you to use these WhatsApp groups solely for tournament related matters only, and refrain from the following:
  - Send birthday wishes or congratulatory messages to individuals – this normally results in a chain reaction whereby tens of messages are sent to the birthday boy/girl
  - Respond with “Noted”, “Thank You”, etc. – it is assumed that once a message is posted into the group, everyone in that group has received the message; thus, a response is not required. Please bear in mind that one response results in everyone in the group (maybe 100+ members) having to click on that response to read it
  - Post marketing/sales advertisements
  - Post politics related, religions inclined, sexual or inappropriate articles

The above non-tournament related messages fill up the WhatsApp group with non-essential information and make it difficult for users to find the important tournament information.

Thus, for everyone to benefit from quick availability of information, let’s all work together to have an uncluttered WhatsApp group for tournament information.

This Parents’ Guide was compiled not because of recurring problems, but rather in order to have a reference for parents for frequently asked questions. SportExcel Junior Golf and our host clubs thank you for your understanding.

## **PARENTS CODE OF CONDUCT**

"In golf, customs of etiquette and decorum are just as important as rules governing play." It is appropriate for parents and spectators to applaud successful strokes, but in order to secure the spirit of the game, we ask parents and spectators to please adhere to the following guidelines: (Please note that if any of the following guidelines are perceived as broken by a SportExcel official or members of the Committee, the player may be subject to penalty.)

- 1) Advice (**Rule 8**) is any counsel or suggestion which could influence a player in determining his play, the choice of a club or the method of making a stroke. In addition, any conversation between player/spectator may be construed as advice. This includes any conversation between player/spectator in their native language. In either instance, penalty for breach of this rule is two strokes. A second occurrence will incur another penalty of two strokes and a third occurrence will result in a DISQUALIFICATION. Players are responsible for the actions of their relatives and spectators in regards to this rule.
- 2) Keeping the above statement in mind, please keep your conversation with the player to words of encouragement as long as advice is not given.
- 3) Spectators attend SportExcel Junior Golf events at their own risk.
- 4) Please turn off all cell phones at all SportExcel Junior Golf events. If when left on silent modes, ensure that your following conversation is not to the annoyance of players.
- 5) SportExcel Junior Golf events do not allow spectator carts except if the spectator has a permanent handicap placard. Handicap spectators must present their placard to the Tournament Director prior to getting a golf cart. Spectators will not receive a cart unless they have this official placard. Letters from doctors or visible injuries will not warrant a golf cart without a placard.
- 6) All players and spectators are not permitted to ride on the back of a golf cart at any time during SportExcel competitions.
- 7) Spectators should stay on cart paths. In the absence of cart paths, we ask that spectators stay in the rough. Please stay off fairways, teeing grounds and greens.
- 8) Spectators should stay one shot ahead of the group they are following. This allows spectators to follow errant shots and help identify where the ball comes to rest. Spectators are allowed to aid in the search for lost golf balls. Ensure that you just indicate where the balls are. Do not otherwise communicate which can be construed as advice when doing so.
- 9) Spectators **MUST** not give rulings. Please seek a Referee or a member of the Committee if the need arises.
- 10) Spectators are allowed to carry medicine, drinks, food, umbrellas, etc.
- 11) The Committee may assess a penalty to the player based on the severity of the spectator violation. If a serious breach has occurred, the spectator may be asked to leave the facility or the spectator may not be permitted to attend another SportExcel Junior Golf event.
- 12) For your personal safety, we ask you to exercise caution at all times. When inclement weather moves into the area, the Committee will suspend play by sounding air horns or sirens. Accordingly, you should seek shelter immediately. The Committee and staff at the golf club will evacuate players from the course first and then spectators.

SportExcel will further discuss the spectator guidelines at each tournament's parents meeting whenever held.

## **YOUTH SPORTS PARENTS CODE OF CONDUCT**

### **Preamble**

The essential elements of character building and ethics in sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character."

I therefore agree:

- 1) I will not force my child to participate in sports.
- 2) I will remember that children participate to have fun and that the game is for youth, not adults.
- 3) I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
- 4) I will learn the rules of the game and the policies of the circuit.
- 5) I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice or sporting event.
- 6) I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting, refusing to shake hands, or using profane language or gestures.
- 7) I will not encourage any behaviors or practices that would endanger the health and well-being of the athletes.
- 8) I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
- 9) I will demand that my child treat other players, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.
- 10) I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.
- 11) I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.
- 12) I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.
- 13) I will emphasize skill development and practices and how they benefit my child over winning.
- 14) I will promote the emotional and physical well-being of the athletes ahead of any personal desire I may have for my child to win.
- 15) I will respect the officials and their authority during games and will never question, discuss, or confront officials at the game field, and will take time to speak with officials at an agreed upon time and place.
- 16) I will refrain from coaching my child or other players during competitions.

## QUOTES

### **Sportsmanship**

"In the end, it's extra effort that separates a winner from second place.

But winning takes a lot more than that, too. It starts with complete command of the fundamentals.

Then it takes **desire, determination, discipline, and self-sacrifice.**

And finally, it takes a great deal of **love, fairness** and **respect** for your fellow man.

**Put all these together, and even if you don't win, how can you lose?"**

- Jesse Owens

### **Friendships**

"Friendships born on the field of athletic strife are the real gold of competition.

Awards become corroded, friends gather no dust."

- Jesse Owens
