=== FACT SHEET ===

As of 27th Aug 2026, 11.30am

DATES & VENUES	The Tournament is played over one round of either 9 holes or 18 holes, depending on the age of the players. Each day scheduled below shall consist of one round of either 9 holes or 18 holes; at the end of this round, the winners will be declared and the tournament will be closed. We term this as a “one-day tournament” for ease of reference. As listed below, we have scheduled the one-day tournament to be held back-to-back, thus two one-day tournaments over two consecutive days at one venue/club. Winners will be declared at the end of each day and the scores of the first day have no bearing on the second day as they are two distinct tournaments. This arrangement allows you to travel once to play in two tournaments. There will be three independent USKG Malaysia Local Tour, each consisting of six one-day tournament, namely: The dates for each Local Tour are as follows: <table border="1" data-bbox="475 1003 1425 1200"> <thead> <tr> <th colspan="2">USKG Malaysia Local Tour 2026 - Central Zone</th></tr> </thead> <tbody> <tr> <td>12 - 13 Sept (Sat - Sun)</td><td>Bukit Kemuning GCR</td></tr> <tr> <td>17 - 18 Oct (Sat - Sun)</td><td>Bukit Kemuning GCR</td></tr> <tr> <td>5 - 6 Dec (Sat - Sun)</td><td>Bukit Kemuning GCR</td></tr> </tbody> </table>	USKG Malaysia Local Tour 2026 - Central Zone		12 - 13 Sept (Sat - Sun)	Bukit Kemuning GCR	17 - 18 Oct (Sat - Sun)	Bukit Kemuning GCR	5 - 6 Dec (Sat - Sun)	Bukit Kemuning GCR

RANKING POINTS	This is a Ranked Tournament with the U.S. Kids Golf Priority Status System. When players participate in the U.S. Kids Golf events, they have the opportunity to earn Priority Status. This qualification determines whether players receive invitations for multi-day events or not. The Priority Status has 15 levels, Level 1 to Lifetime, with Lifetime being the highest level. For Local Tours, take the two (2) lowest scores totalled within the same season on the same Local Tour and participants must play four (4) Local Tour events within a season on the same Local Tour to earn Priority Status. What this means is that the four Local Tour one-day tournaments must be from one zone only and crossing zones is not allowed (for example, if you play 2 tournaments from Northern Zone and 2 tournaments from Central Zone, these added together will not qualify you to earn Priority Status). For more information: https://tournaments.uskidsgolf.com/tournaments/info/priority-status
SIZE OF FIELD	The Tournament field is restricted to a maximum of 108 players, with a split according to age groups to be determined by the Organizing Committee. However, the Organizing Committee reserves the right to change this at their discretion. A maximum number of players has been set for each age group, with as few as 3 players in one age group to 12 players in another age group. Once the maximum field size for each age group is filled, you will not be able to complete your Registration & Pay. However, you are encouraged to continue to Register under Waitlist, where no payment is required. When a slot is available, you will be invited via email to complete your Registration and pay to confirm your participation. Waitlist will be fulfilled based on first come first serve basis. The Organizing Committee has the option of increasing the field size of each age group, thus having a Waitlist will help in their decision.
AWARDS	A Medal shall be awarded to the Top five (and ties) finishers in each age group category for boys and girls.
